

PROFESSIONAL SUMMARY

Sales and customer service professional with 1 year of experience at Currys PC World in Dublin, supporting technology product and subscription sales while managing customer records in Salesforce Service Cloud. Experienced in customer engagement, needs-based product explanation, sales target delivery, and GDPR-aligned customer data handling. Consistently met and exceeded a weekly €35,000 sales target across technology products and subscription services. Brings additional cybersecurity capability through Microsoft SC-200, CompTIA Security+, and ongoing SC-300 certification progress, with hands-on work across SIEM, threat detection, and security operations.

SKILLS & EXPERTISE

Sales: Salesforce Service Cloud, Target-Driven Sales, B2B Prospecting, Customer Issue Diagnosis
Incident Handling: Fault Diagnosis, Incident Triage, Escalation Management, Real-Time Fault Logging
Security Operations: Splunk, Microsoft Sentinel, KQL, YARA, Sigma, MITRE ATT&CK Mapping
Threat Intelligence: VirusTotal, Shodan, ThreatFox, MalwareBazaar, GreyNoise, OSINT Enrichment
Security Tools: Python, SQL, Wireshark, Nmap, EDR (Microsoft Defender, CrowdStrike, SentinelOne)

WORK EXPERIENCE

Sales & Customer Service Colleague, Currys PC World Oct 2025 – Present

- Drove end-to-end sales cycle by prospecting customer needs, presenting tailored solutions, and consistently exceeding a €27,000 weekly sales target.
- Qualified leads using BANT methodology to assess budget, authority, need, and timeline, converting conversations into closed opportunities.
- Expanded B2B account portfolio with local business owners and sole traders, delivering solutions that increased repeat business.
- Logged interactions and managed pipeline stages daily in Salesforce Service Cloud to support accurate forecasting and reporting.
- Upsold protection plans and add-on services at point of sale, increasing average deal value and consistently achieving attachment targets.
- Delivered consultative sales conversations as a certified Sky Expert, qualifying customer needs and driving recurring revenue.

B2B Field Sales Executive, Lyca Mobile Group Nov 2024 – Oct 2025

- Prospected and onboarded 10+ new B2B distribution partners monthly through cold-calling, in-person visits, and mapped outreach, expanding market presence by 10% each month.
- Managed the full account-opening cycle from initial contact to commercial agreement and onboarding, building strong partner relationships.
- Led in-store branding and merchandising for new retail partners, setting up displays and promotional materials to drive product visibility.
- Provided technical support for network and SIM connectivity issues, translating technical data into clear guidance for partners and customers.
- Maintained CRM and account records in compliance with GDPR, ensuring accurate pipeline and account reporting.
